Description:

The prize-winning author of *Baking with Julia* (more than 350,000 copies sold), among other cookbook classics, celebrates the sweet life with recipes and lore from Paris's finest patisseries. Like most lovers of pastry and Paris, Dorie Greenspan has always marveled at the jewel-like creations displayed in bakery windows throughout the City of Light. Now, in a charmingly illustrated tribute to the capital of sweets, Greenspan presents a splendid assortment of recipes from Paris's foremost pastry chefs in a book that is as transporting to read as it is easy to use. From classic recipes, some centuries old, to updated innovations, *Paris Sweets* provides a sumptuous guide to creating cookies, from the fabled madeleine to simple, ultra-buttery sablés; tarts, from the famous Tatin, which began its life as an upside-down error, to a delightful strawberry tart embellished with homemade strawberry marshmallows; and a glorious range of cakes—lemon-drenched weekend cake, fudge cake, and the show-stopping Opera. *Paris Sweets* brims with assorted temptations that even a novice can prepare, such as coffee éclairs, rum-soaked babas, and meringue puffs. Evocative portraits of the pastry shops and chefs, as well as information on authentic French ingredients, make this a truly comprehensive tour. An elegant gift for Francophiles, armchair travelers, bakers of all skill levels, and certainly for oneself, *Paris Sweets* brings

home a taste of enchantment.

I'd give this more stars but for two reasons: There is NO index for the Kindle version, and there are no photos of what you're meant to be creating. Both would add a lot to this book's usability! There's not really even a proper table of contents with a list of recipes--just general descriptive chapter titles (like cookies) and a mishmash of related recipe text follows. The recipes, themselves, are a nice collection of medium-to-advanced difficulty level, and generally in the vanilla-chocolate-citrus range in flavors. The book covers good ground, and the stories that accompany the recipes are entertaining enough. I hope the publisher considers adding an index, or at least a hyperlinked list of recipes for easy look-up!

Sweets: the Best From Pastry City's Great Shops Paris Desserts Love series you don't want to miss it. Not much, actually. Most authors call it the series and you never hear about the main couple again, Ms Mooney didn't do that. It deals with many heavy issues (social and political) without feeling too heavy. IT WAS ALL RIGHT BUT FORGETFUL. 584.10.47474799 Warm, nostalgic, funny and inspiring. Katy's story is an excellent choice for anyone who loves Anne of Green Gables, Little Women, or Laura of the Little House. There are two prerequisites for reading and enjoying the Dortmund novels by the amazingly prolific Donald Westlake: (1) you enjoy watching a fiendishly clever plot unfold, and (2) you love to laugh. This Study Guide contains a lesson plan, Journaling topics, group Icebreakers, exams, and answers to the exam questions. Highly recommended for family nights, too. I found that I got very irritated with the heroine.
